Other Training News

First Response: HQ have been working with Guiding UK to produce a new 6 hour course which can be delivered in 3 x 2hour sessions. They are still looking at how the practical parts of the course can be delivered. More information later.

Getting Started Modules 1-4, Safety, Safeguarding, GDPR and Trustee Induction can now all be found together on www.clevelandscouts.org.uk under the 'Getting Started Training' tab beneath the Beaver and Cub logos on the front page.

Eventbrite registration: When we have Eventbrite registration on the website, we will be removing the paper registration method completely, so the only way you will be able to register will be via Eventbrite.
