

Saturday 1st December 2018

To all members of Middlesbrough District,

As you know, we have been conducting a search for a new District Commissioner. Nominations were received and the Search Party met to discuss them.

However, the nominees were either unwilling or considered unsuitable to fill the role at this present time. The process has therefore stalled.

A new Search Party will be formed in the New Year in order to restart the process,

In the meantime the County Commissioner, David Clark, will continue as the Acting District Commissioner.

Best wishes,

Ian Railton

County Chair and Chair of the Search Party.
